9	From the Registrar, Mysore University No 10024 d. 10th Nov. 1928 Requests sanction to the recommendation of the Vice-Chancellor in regard to the emoluments of Dr. M. H. Krishna Iyengar Dr. M. H. Krishna Iyengar was drawing a pay of Rs. 350 as Professor and a temporary allowance of Rs 50 for Numismatic work. When he was placed in charge of Archaeological Researches also, the allowance was raised to a consolidated figure of Rs100 for the combined duties of Archaeol. & Numismatic Researches, the pay remaining same. It is now stated that as numismatic work is only temporary the allowance for that may be kept distinct from the additional allowance Rs 50/= given for Archaeological Research and the Officer's pay as Professor is recommended to be raised from Rs 350 to Rs 400. It is also requested that he may be designated Director of Archaeological Research Secnd for orders. The Archaeological Dept is (CB 16/11/28) under the control of the Vice Chancellor of the Mysore University. Therefore it is for

Mr Hyde Hartley.

The recommendation of the University seems to me reasonable. Dr Krishna Sastri has qualifications fitting him admirably for the position he holds. The working the Archaeological Dept brings him into relation with savants and learned bodies in Europe, and it would be undesirable to change his designation in a manner which may be taken as indicating that he is not an officer of the same standing as his predecessor. I think he may be called Dir of Archaeology.

With regard to his emoluments, the proposal of the University seems to me that he should be given

Rs 400 as Professor
50 as Dir of Archae.
50 temporary, while his numismatic work continues

This may also be agreed.

Subject:— Emoluments of Dr. M.H. Krishna Iyengar, Professor of Cultural History, Maharaja's College and designating him as Director of Archaeology in Mysore

In suggesting arrangements in the leave vacancy of Arthasastra Visarada Dr Shama Sastry, I proposed in my Final Note dated the 18th September 1928 that Dr. M.H. Krishna Iyengar may be appointed to be in charge of Archaeological as well as Numismatic researches on his pay as Professor together with an enhanced duty allowance of Rs.100. With His Highness' approval orders were issued accordingly.

Dr. Krishna Iyengar has now made a representation that he may be designated officiating Director of Archaeological Researches and given a pay of Rs.400 with an allowance of Rs.100. The Vice Chancellor recommends that Dr. Krishna Iyengar may be designated officiating Director of Archaeological Researches and given a pay of Rs.400 as Professor of Cultural History and an allowance of Rs.50 for the officiating appointment, the allowance of Rs.50 given for the Numismatic research work being continued till that work is finished.

The recommendation of the Vice Chancellor has been agreed to by the Dewan and the other Members of Council, and may be graciously approved.
